FESTOOL

Available May 1st

T 12+3 and T 15+3 Drill-driving system

The new T+3 drills from Festool represent the most evolved and intelligent drills available in the market today. Lithium Ion power and run-time is now paired with Festool's proven brushless motor technology to create an unprecedented Drill-Driving combination, backed by a **Full Three Year Warranty** on the drill, batteries, and charger.

Each T+3 Drill-driver Set includes Eccentric, Right angle, 1/2" keyless FastFix chuck, Centrotec starter set, 2 Li batteries, and charger.

"With the T+3 drills, I am able to use one tool for all drilling & driving in a typical cabinet installation job. The tool quickly drives 3-inch cabinet hanging screws into the hardest of woods, while the FastFix chucks allow the flexibility to drill & drive in the most cramped cabinets."

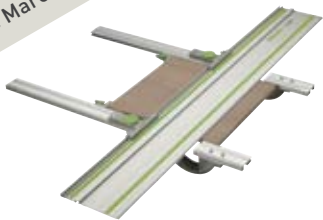

Greg B., Manor Redevelopment

T 12+3 Set
Price: \$525.00
Item no. 564 247

T 15+3 Set
Price: \$575.00
Item no. 564 250

Available March 1st

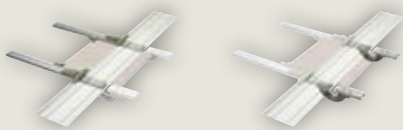

Parallel guide extension set

Price: \$325.00
Item no. P00108

Includes item no.
495 717 and 495 718

Make accurate repetitive cuts with ease using the new parallel guide extensions and your Festool guide rail. These accessories make work faster and easier, by eliminating the need to make multiple measure marks. Set the width of cut on the guide and start ripping.

Parallel guide
Price: \$230.00
Item no. 495 717
For cut widths 190 mm - 650 mm
(7 1/2" - 25 9/16" approx.)

Parallel guide extension
Price: \$130.00
Item no. 495 718
For cut widths 1 mm - 200 mm
(1/256" - 7 7/8" approx.)

*Guide rails sold separately.

Available April 1st (est.)

EHL 65 One-handed planer

Price: \$390.00
Item no. 574 543

One-handed use planer with ergonomic grip features a single-knife spiral cutterhead for clean and quiet cuts. Integrated swiveling dust port accepts 27 & 36 mm hoses to help reduce dust, chips, and clean-up time when used with a Festool dust extractor.

"Until I started using the EHL 65, noise and vibration were my worst enemies whenever I planed to a sharp line. Now I have the right tool for that delicate job. Quiet, light-weight, and vibration-free, the EHL 65 makes delicate scribes easy work."

Gary Katz, Nationally recognized author and trim carpenter

Available April 1st

Kapex cutting extensions

Price: \$700.00
Item no. P00107

Includes item no.
495 318 and 495 321

Infeed and outfeed supports with integrated metric/imperial scale, flip stops, and adjustable supports. Quickly and accurately set up repeat cuts while supporting long pieces.

Repetitive cuts
Adjustable flip stops and integrated scale allow for quick and easy set ups.

Material support
Horizontal supports and tall material supports are fully adjustable.

Portable
Breaks down for easy transport. Extruded aluminum profiles are rigid and light weight.

Expandable
Independent sides extend for larger material. Provides up to 2300 mm (90 1/2" approx.) support both left and right of the blade.

*Kapex saw, MFT/3-Kapex, and Crown stops sold separately.

30 Day Money Back Guarantee - We are so confident that you will thoroughly enjoy our tools. If, however, you are not completely satisfied, your full purchase will be refunded, excluding all freight charges.

1+2 Limited Warranty - Festool warrants that the specified tool will be free from defects in materials and workmanship for a term of 3 years from the date of purchase.
